goods in their season. In this way we get just as near to our customers wants as we possibly know how to. The warmer winter kinds are wanted now and here are the kinds that we want to talk about, kinds that we ourselves believe to be all right, the kind that we recommend for you as the very best that you could try.

Munsing Wear

Munsing wear in Union Suits is different from all other makes. It has a patent plaited seam and the yarn filament is spun so as to give it the greatest amount of wear. The cotton thread is very closely woven; then the wool yarn plaited in with the cotton yarn in a kind of twist that strengthens both threads, so that they never pull apart.

Three million Munsing Union Suits sold each season; three thousand stores sell them. There are more Munsing Union Suits sold than of any other kind. If you are not wearing one, you are denying yourself a comfortable garment.

Munsing Union Suits for children at 50c and \$1.00 each; for ladies at \$1.00 up to \$3.25. No more than for poorer Union Suits.

Every Union Suit that we carry we have in extra sizes, so that all can find their size. Extra size ladies do not have to push themselves into a small Union Suit. We have the size to fit.

Bed Blankets

We buy our Blankets early; get better prices then. We carry every kind that the customer may want or call for. Some kinds go early; that we cannot help; we do as well as we can to keep the assortment good. We have several special Blankets, as follows:—

White or Gray ten-quarter Blankets, while they last, at 55c per pair.

One lot of Tan and Gray Blankets, good size and weight, at 65c per pair.

White and Gray Blankets, large size, at 98c per pair.

A special Blanket in tan, gray and white at \$1.19 per pair. They have a special finish.

Twelve-quarter Blankets at \$1.49 and a \$2.25 White Blanket, very heavy, as a sale at \$1.75 per pair.

We are showing a Blanket, very near like a home-made Blanket, that is a trade at the price, \$4.50 per pair. We have a special value at \$5.00.

Outing Flannels

Here is a complete line. You do not have to buy from the first or the second piece that you look at. Isn't it a pretty good idea to see a good assortment of anything that you want to buy?

One lot of Colored Outings for cheap work at 5c per yard.

One lot of Outings in both dark and light colors for night robes, a good heavy Outing, at 8c per yard.

Our very best 12c Colored Outings for heavy night robes at 10c per yard.

White Outings in the domestic quality at 6c per yard.

Bleached Outing at 8c and our very best at 10c per yard.

Yard-wide Bleached Outing, good heavy grade, at 12 1/2c, and our very best at 15c. This width saves in cutting and makes a better night robe.

We have an extra heavy yard-wide domestic Outing Flannel for 12 1/2c a yard.

The enlargement of our second floor has opened up one of the best Lace Curtain departments in the city. Ask to see them.
